## **Equality and Diversity Policy**

### **Introduction**

West & Middle Chinnock Parish Council (The Council) recognises that it has moral and legal responsibilities to be fair and is committed to promoting equality and tackling discrimination. This means treating people fairly, valuing difference and removing barriers that prevent people from participating fully in public life and reaching their full potential.

This Equality and Diversity Policy outlines our legal responsibilities and the commitments we have made which help us to ensure equality is an integral part of the way we reach decisions, provide services, recruit staff and work with other organisations.

The treatment of staff and elected members is covered by the Council's Equal Opportunities Policy.

**Implementation of this policy is the responsibility of the Council through elected members, the Clerk (RFO) and others acting on its behalf.**

### **Legal Requirements**

#### **The Equal Opportunities Act**

The Equality Act came into force from October 2010 and brings together all legal requirements on equality. Under the Act everyone has the right to be treated fairly at work or when using a service. It protects people from discrimination on the basis of certain characteristics, these are:

- age
- disability
- gender reassignment
- marriage & civil partnership
- pregnancy and maternity
- race – this includes ethnic or national origins, colour or nationality
- religion or belief – this includes lack of belief
- sex & sexual orientation
- Under the Equality Act 2010 these are known as “protected characteristics”.

### **PURPOSE**

The purpose of this policy is to provide equal opportunities to all employees, irrespective of their characteristics (unless there are genuine occupational qualifications or objectively justified reasons for a different approach to be taken). We oppose all forms of unlawful and unfair discrimination whether it is direct or indirect discrimination, victimization or harassment on the grounds of any of the protected characteristics defined in the Equality Act 2010.

## **SCOPE**

All Council employees whether full-time, part-time, fixed term contract, agency workers or temporary staff, will be treated fairly and equally. Selection for employment, promotion, training, remuneration or any other benefit will be on the basis of aptitude and ability. All employees will be helped and encouraged to develop their full potential and the talents and resources of the workforce will be fully utilised to maximise the efficiency of the council.

## **OUR COMMITMENT**

Every employee is entitled to a working environment that promotes dignity and respect to all. No form of intimidation, bullying or harassment will be tolerated. This is further defined in the Dignity at Work policy adopted by the council.

The commitment to equal opportunities in the workplace is good management practice and makes sound business sense as it seeks to utilise the talents available from the local community, representing Society as a whole.

Breaches of our equal opportunities policy will be regarded as serious misconduct and could lead to disciplinary proceedings. Employees are entitled to complain about discrimination or harassment or victimization through the council's Grievance procedure.

This policy is fully supported by all Members West & Middle Chinnock Parish Council and adopts the model contract as devised by the employee professional body in the local government sector (the Society of Local Council Clerks).

The policy will be monitored and reviewed annually/bi-annually. Other Personnel policies will be reviewed against the values stated in this main Equal Opportunities policy to ensure that the council strives to remain an Equal Opportunities employer.

**Uses of Policy** – Staff Handbook, Induction of staff and Members, decisions relating to Recruitment and Selection, Training and Development, Promotion, Remuneration, Retirement, cross-referenced to Grievance, disciplinary and Dignity at Work Policies.

The public sector **Equality Duty** came into force on 5<sup>th</sup> April 2011 and is a key measure under the **Equality Act 2010**. The Equality Duty ensures that all public bodies play their part in making society fairer by tackling discrimination and providing equality of opportunity for all.

### **The Equality Duty Aims**

The following Equality Duty aims apply to our process of decision making including how we recruit & select staff; how we develop, evaluate and review policy; how we design, deliver and evaluate services, and how we commission and procure from others.

1. **eliminate unlawful discrimination**, harassment, victimisation and any other conduct prohibited by the Act.
2. **advance equality of opportunity** between people who share a protected characteristic and people who do not share it. This involves considering the need to:
  - remove or minimise disadvantages suffered by people due to their

- protected characteristics;
  - meet the needs of people with protected characteristics; and
  - encourage people with protected characteristics to participate in public life or in other activities where their participation is low.
3. **foster good relations** between people who share a protected characteristic and people who do not share it. This involves tackling prejudice and promoting understanding between people who share a protected characteristic and others.
